**ENV1221CL**

### Len-Tex Surface iQ

Masterfully reproduced to simulate the look and feel of fine leather, Callahan features a classic stitched-leather block pattern in a PVC-free construction. This handsome new design in the Surface iQ offering takes the traditional leather look to a whole new level by incorporating the sophisticated shimmer of pearlescent inks in its palette of 12 fashion-forward colors. An elegant luster enhances the fresh neutrals, mid tones and deep rich hues. Callahan brings a distinguished character to environments requiring a rich and refined aesthetic from boardrooms and banks to libraries, lounges and VIP suites.
