Sausalito | Dusk

ENV1301SA

Len-Tex Surface iQ

Surface iQ, the alternative wallcovering by Len-Tex, takes a spin to the contemporary side with the introduction of Sausalito. Like its California namesake, Sausalito is fun-loving and hip. Not only does the responsible non-PVC chemistry of SiQ make it the choice of forward-thinking corporations, but the graphic design of Sausalito embraces the youthful approach taken by many of today's office interiors and community spaces.

Product Specifications

Content: Polyethylene

Width: 54"

Weight (oz/lyd): 19

Weight (oz/sqyd): 12.67

Type: Type II

Backing: Osnaburg

Pattern Match: Random reversible

Fire Rating: Class A

Flame Spread: 20

Smoke Developed: 10

3rd Party Certifications

Cradle to Cradle

GreenSpec Listed

CA 01350

SCS IndoorAdvantage Gold

Features

Printed with water-based inks
